How it works

1. Order

Join Wider Tech through Wider Wallet and place your order.

2. Approval

Once your employer has approved your order you will be provided with a Wider Tech Voucher.

3. Register

Create an account and register your Wider Tech Voucher on our supplier's website.

4. Swap

Swap your Wider Tech Voucher for a gift card or e-code for one of our approved retailers.

5. Shop

Receive a gift card or e-code to be used in-store or online.

Could this scheme help you?

David - Working parent with a new born

David's washing machine broke down unexpectedly and his budget didn't account for a large purchase.

Through Wider Tech David was able to order a new washing machine from John Lewis. His new machine has a 2 year warranty instead of the standard 1 year manufacturer guarantee and costs just £16 per month.

Jane - Buying her first home

Jane loves photography but couldn't upgrade her camera without a credit agreement which might have had a negative affect on her mortgage applications.

With Wider Tech the payments for her new equipment are taken from her NET pay which wont affect her credit score.

Gemma - Just received a promotion

To celebrate her promotion Gemma wanted a new smart TV to binge boxsets on. The model she wanted was on sale but cost almost as much as her annual salary increase.

By joining Wider Tech she was able benefit from her pay rise right away and take advantage of the promotional offer.
